SPRINGWOODS

ABOUT US

Vijaya Enterprises has earned reputation for quality construction and inspiring design. Residential, commercial and industrial projects built over three decades stand as testimony to our reputation.

We believe at building at strategic locations which derive real value both in terms of return and comfort. Our spaces are designed in consultation with leading architects and designers, keeping in mind the environmental, technological and vastu factors.

The brochure is purely conceptual and not a legal offering. 3D perspective views are artist's impressions only. Visual representations of various amenities & facilities are indicative only. Developers/Promoters reserve the right to change any plan, detail & specification without prior notice.

VIJAYA
SPRINGWOODS

ABOUT THE PROJECT

Vijaya SpringWoods by Vijaya Enterprises is strategically located in one of the Bangalore's most developing hot spot. The project is facing 60 ft main road, just 6 kms from Silkboard Junction, 3.2 kms before Electronic City, 1.2 kms off the Hosur road and 0.4 kms from Manipal County Resort. The project is designed with 53% open space and landscaping.

Vijaya SpringWoods is BBMP approved and consists of prudentially designed 2 BHK & 3 BHK flats, placed in the center of all essential facilities like super market, colleges, bus terminal, restaurants. Magnificent yet Affordable.

Fully loaded amenities & exclusive features gives you the comfort and feeling of living in an independent home.

At Vijaya SpringWoods, we promise to extend a comfortable & peaceful living that one would ideally describe as HOME.

NO COMMON WALLS

The apartment has been planned in such a way that your neighbors are not any more your neighbors. Keeping in tune with today's lifestyle, Home is where you seek all happiness.

At Vijaya SpringWoods, hence there are no common walls between homes. So no irritating knocking sound from the other side, or noise creeping in from the other side. This creates the feeling of an independent home with three sides of natural light & fresh air.
